

Dear SMCS Members and Friends

This year's Reunion will be held at the College on July 4th, and I hope that everyone will make every effort to come along at some stage during the day.

As always we are hoping to play the annual cricket match versus St Michael's Village during the day and this will be followed by the AGM, Evensong with the Holgate Consort and Annual Dinner at the Fountain Inn.

We are delighted to announce that Canon Chris Chivers, a former master at the College, has kindly agreed to be our guest speaker at the Dinner.

More details and a Reunion booking form will appear in the annual Magazine, which will be published at the end of May.

Attached are details of an event at St Michael's on April 23rd. David Briggs, now of international repute, will be performing a live organ improvisation to the silent film of the 1920's, "The Hunchback of Notre Dame". Whilst this is not perhaps the traditional organ recital familiar to members, it will be a unique event in which there is also included in the price, (£25) a hot supper. The evening starts at 7pm and there will be a big screen projection of the film.

Can I also make my annual appeal for news items/articles/photos for the SMCS Magazine – all contributions will be considered for publication and should be sent to me via email or in the post by the beginning of May at the very latest.

If anyone would like to play in the Society's annual golf match, we are hoping to play some time before the Reunion. Please drop me a note if you are interested.

I look forward to seeing you in July, if not before.

Yours
