Dear Members and Friends

Annual Reunion – September 23rd 2017

This year's SMCS Reunion will be held at the College on September 23rd, and I hope that everyone will make every effort to come along at some stage during the day.

There are some big changes to the reunion programme this year.

Sadly, time appears to have caught up with many of the 'younger' Old Boys and it is felt that our cricketing days, dashing in from deep mid-wicket and going for the quick single, are sadly at an end.

It's been great fun to play an annual match against St Michael's Village and our thanks go out to everyone involved getting the sides out and producing such wonderful teas, but it has become a struggle to keep the enthusiasm going on both sides and the hallowed turf is not so hallowed anymore and is, quite honestly, dangerous to play cricket on.

So, we are going to revert to golf – either on the Saturday morning or on the Sunday (tbc).

This also means the rest of the Reunion programme can be brought forward to give us all more time to take part in a more relaxed manner. The AGM will now be at 2pm, Choir Practice at 3pm, Evensong at 5.30pm, and the Annual Dinner at the Fountain Inn at 7 for 7.30pm.

I'm pleased to announce that the guest speaker at dinner will be Dr Andrew Gant, lecturer in music at St Peter's College, Oxford and author of 'O Sing unto the Lord'.

More details and a Reunion booking form will appear in the annual Magazine, which will be published at the end of July.

Which leads me on to offering you all an apology for not getting the magazine out last year - circumstances and commitments meant I ran out of time.

Step forward Charles Beresford. Charles has kindly agreed to coordinate contributions and edit the Magazine, so if anyone has any news items or photos for the Magazine please send them to Charles – preferably by e-mail charlesberesford24@gmail.com or by post to Barn Hall, Rideaway, Hemingford Abbots, Huntingdon, Cambridgeshire PE28 9AG.

If you would like to contribute any recollections or photographs, please send them to him by the end of April. If this is too soon, but you would like space kept for your item, please let him know by the end of March.

I look forward to seeing you in September, if not before.

Yours Sincerely
Tim Coles
